REMARKS

The office action indicated that claim 25, which depends on independent claim 19, would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Accordingly, the applicant has amended claim 19 to include all the limitations of claim 25, and has cancelled claim 25. Claim 19 as amended is therefore allowable. The applicant has also amended claim 29 to address a rejection for a lack of antecedent basis. Claims 20-23 and 26-30, which depend on amended claim 19, are therefore also allowable.

The applicant has cancelled claims 24 and 31-41 which stand rejected under 35 USC 112 and/or 35 USC 103. In canceling these claims, the applicant does not concede to the positions of the office action regarding the patentability of the claims.
